Subject: Update Required on Status of Small Mine, Rex or Gary Harris, End of the Trail/ G&R 1-3, S/025/010, Kane County, Utah

Dear Mr. Harris:

Thank you for submitting the 2007 progress report for permit number S/025/010. Upon its review, it has been determined the mine has not been in production for over two years. As a result, the Division must establish the status of the mining operation. Please provide the Division with the following information:

- Provide narrative explaining efforts that have been put forth to maintain the disturbed area in a safe, clean, and environmentally stable condition.
- Indicate what actions will be taken to ensure the area is safe, clean, and environmentally stable.
- Indicate the future status of the operation.
- Provide an overview of your mining plans for the area for the upcoming year.
- Submit photos of the disturbed area. Include photos of roads, slopes, waste piles, and disturbance. Label and date each photo.

Please submit this information to the Division by February 29, 2007. If you would like to discuss this matter, please contact Ms. Beth Ericksen, 801-538-5318 or bethericksen@utah.gov

Sincerely,
